WARNING

During the past couple of years the use of social media network sites, like Facebook and Twitter, has seen a large number of people posting photographs of their match tickets for high profile events as a way of making people aware that they are going to the match. Unfortunately this has resulted in a number of tickets being subsequently copied and advertized illegally for sale by third parties on unofficial online sites like StubHub and Gumtree. Therefore, and to avoid any situation arising from possible misappropriation of tickets you are advised to refrain from posting pictures of any tickets allocated to you on social media sites.

This will help to ensure that Old Wimbledonians Rugby Football Club does not unknowingly contravene the Ticket Application Conditions, which could in turn result in a ticket sanction being place on us.
